

Extreme Youth Leadership Plan of Action for 2009

CRAVE R.C.Y.

Community Assessment:

I like where I live because...where i grew up, small community, everybody knows everybody

My favorite thing to do where I live is...going to school to see friends, ride horses, hang with friends

If I could change one thing where I live, it would be...get a mall, no drugs or alchol, to teach youth (set example),

The favorite thing the youth in my community like to do is...hang with friends, got to dances, family fun night, skate park/pond,

One thing the youth in my community do that worries adults is...drivng no license, drugs, underage drinking and driving, underage tobacco use, teen pregnancy

One thing the adults in my community do that worries youth is...adults don't care, 18 thru 21 supply to younger kids, parents supply drugs to kids,

The biggest issue in my community is...alchool

What is being done to address this issue in my community is...nothing,

What I can do to address this issue is...alchool

Who do you want to target? high school youth

Where is the issue taking place? during school lunch, church, friends house

What are you going to do? do "stings" and community involved

Who in the community can help you? the cops, probation officer and city officials

What is it you hope to accomplish with your project? to better the youth and the drugs, stops the cycle

Who are you targeting? elementry thru high school, young adults

What does the target audience already know about the problem? everything, majority know they just don't wanna listen. 9

What does the target audience need to know about the problem? how it effects people around them, its not that they don't know its that they don't care.

How do you plan to put those things that they need to know in your project event? bring

in speakers, more personal stories, real life situations

What do you want “them” to do afterwards? to help out and join crane to help out and try to save someone else like the butterfly effect.

How will you advertise your project to the Community? flyers, wearing club shirts, commercials, school newspaper

How will your project use the following media? enter 2-5 ideas here

- Community Newspaper el ave news
- School Newspaper Crane schools news paper
- Brochures/ flyers/ other printed materials
- Radio
- Television
- World Wide Web build a website (cist.com)
- Email
- Pod casts
- Text Messaging
- Instant Messaging
- Fax Messaging
- Social Networks
 - My Space
 - Face Book
 - Twitter
 - Other

Who do you need to include in your project? adults and parents from a distances

What do you need from them for your project? support and help with different projects and programs

Project Partnerships

How could your project include the following Community Partnerships? enter 2-5 ideas here

Community:

- Companies just trucking
- Parents enter how they could help here

- Mayor enter how they could help here
- City Council Member enter how they could help here
- City Manager enter how they could help here
- Police Chief enter how they could help here

County:

- County Judge enter how they could help here
- County Commissioner enter how they could help here
- Sheriff enter how they could help here

State:

- Representative enter how they could help here
- Senator enter how they could help here

National:

- Representative enter how they could help here
- Senator enter how they could help here

If/then statements:

This is a logical connection between the problem Identified, the resources needed and strategies implemented. Read the following if/ then statement after filling in these blanks.

The problem we want to address is enter problem,
 If we have enter resources then we can provide enter activities,
 If we provide these activities we will enter results desired,
 If we have these results then this problem will be alleviated,
 If this problem is alleviated then this project will be complete.
 If the problem still exists then we will begin an additional plan.....

CSAP Six Prevention Strategies

1. Dissemination of Information – **knowledge** (get the word out)
 The dissemination of information is characterized by one-way communication from the source to the audience, with limited contact between the two.

- What kind of information are you going to distribute?

- Who will you distribute the information to?
- How will you distribute the information?

FILL IN:

(name the information) **will be provided** (how?) **on** (when?) **for** (who?)

1. flyers and handouts will be provided by group on football games for the youth .
2. bar b q event will be provided Aneisa on begin of school year for city youth.
3. name the information will be provided how on when for who.

2. **Prevention Education – skills**

Activities under this strategy aim to affect critical life and social skills, including decision making, refusal skills and critical analysis of media messages.

- What skills will people gain as a result of your project? show all defects of using alcohol, personal and human interaction
- How will you teach people to refuse the negative and accept the positive? lead by example, you don't have to get wasted to have a good time

Check the skill(s) included in plan:

- | | | | |
|--|-----------------------------------|---------------------------------|--|
| <input type="checkbox"/> Communication | <input type="checkbox"/> Personal | <input type="checkbox"/> Social | <input type="checkbox"/> Critical Analysis |
| <input type="checkbox"/> Coping | <input type="checkbox"/> Refusal | <input type="checkbox"/> Other: | <input type="checkbox"/> Other: |

3. **Alternative Activities – options**

This strategy provides for the participation of target populations in activities that exclude drug use.

- What activities will you provide people who need a place to go or something to do?
- How often will these activities be available?

FILL IN:

(name the activity) **will be done on** (when?) **for** (who?)

1. pool parties will be done on spring time for city youth.
2. fund raising dances will be done on fall time for school kids .

3. bar b q event will be done on fall time for everyone.

4. **Community-Based Processes – working together**

This strategy aims to enhance the community partnerships

- Who in the community will you get involved in the project?
- How will you get the community involved?

FILL IN:

Partners Name What can they contribute to the project ?

1. Judge Farmer can contribute security, buildings
2. Audin Gallion can contribute food, nachos
3. DQ manager can contribute Donate food
4. Stones home center can contribute bar b q
5. Superintendent can contribute permission for activities
6. dug out can contribute donations
7. Sak and Pak can contribute donations
8. Sonic can contribute donations
9. Church can contribute Donations
10. Nursing Home can contribute various help and support
11. Enter name here can contribute enter contribution here
12. Enter name here can contribute enter contribution here

5. **Environmental Approaches – changing attitudes, norms, policy or law**

This strategy seeks to establish or change community policies, laws, norms and attitudes

- Will this project change any community policies, laws, norms or attitudes?

Policy open contianor policy

Laws litter laws, open container, DWI

Norms taking a stand and not falling back

Attitudes start caring

- How will your project change community policies, laws, norms or attitudes?

Policy lower drink and driving rates

Laws cleaner streets and no dwi

Norms more leaders and not followers

Attitudes more people who care about there communitis

6. **Problem Identification and Referral – helping others**

This strategy aims to identify those who have indulged in problem behaviors in order to help them.

- How will you offer help to those who make poor decisions or are already in trouble?
- Are there people or organizations in your community that you can refer those people to?

FILL IN (enter who) **is the referral source for** (enter problem)

1. probation officers is the referral source for offenders .
2. consulers is the referral source for people who needs support .
3. Enter who here is the referral source for Enter what here.

Project Results

Short-term Outcomes

What *immediate changes* do you expect to see as a result of the activities your program provides? popularity of CRANE CYI

Knowledge Increase: more knowledge about CRANE CYI

Skills Learned: more alchool prevention educations

Attitudes Changed:more serious

Intermediate Outcomes

What *behavioral changes* do you want to see as a result of all your project activities?
enter behaviorial changes here

Behavior(s) Changed: less violences

Behavior(s) Changed: more compasion

Behavior(s) Changed: enter specific behavior change here

Long-term Outcomes

What *conditions or abilities* do you hope to see as a result of all your program activities? a bigger crane group and changing the attitude of everone

Condition(s) changed: a bigger crane group

Condition(s) changed: enter specific condition changed here

Ability(s) gained: enter specific ability gained here

Ability(s) gained: enter specific ability gained here

Project Materials

Write down what supplies are needed to complete the project. (Money, place, materials, etc)

List all supplies, materials, resources needed to complete this project here

Project Elevator Speech: Hello Mr. Farmer we are members of the CYAT team we are looking for support for a street party. Can you help us?

Team Slogan: Be the change you want to see!

Closing Presentation Information

Team Name: CYAT

We will do a project in the communities

The problem we want to change is: alcohol usage among youth

We want to change this by: community efforts

The expected results of our project are: before the end of school year

We want to complete our project on or before: before the end of the school year

Notes: CYAT group is only 10 months old with a lot of passion. We (facilitators) feel that in a year this group will do wonderful things and have positive outcomes in their communities. We can't wait till they come back next year and we can see their progress.
